**SUGGESTED NEEDLE & HOOK SIZES:** Cap, crochet hook in size 4mm, dp needles in size 7mm and st markers. **Note:** US and metric needle and hook sizes often do not match exactly and size equivalencies have changed. The original version of this pattern was written to use metric size needles and hooks; if in doubt as to whether a given US needle or hook size is the same as a metric size, use the metric size needle or hook. As always, please take the time to check your gauge carefully and change needle or hook sizes as needed to obtain the correct gauge.

**GAUGE:** 14 sts over dc = 4"(10cm);  
13 sts over g st = 4"(10cm).

**Watch gauge carefully to obtain the correct finished measurements!**

## CAP

**Size: Fits head up to 22 1/4"(56.5cm)**

With Color 1, loosely ch 82. Beg with third ch from hook and work 1 row of dc (80 sts). Join with a slip st in top of ch at beg of row; cont working in the rnd. \* Ch 2. Work 1 rnd of dc, then join with a slip st in top of ch at beg of rnd. Rep from \* twice more.

**CHECKERBOARD PATTERN:** Change to Color 2 and ch 2. Work 7 dc. \* Change to Color 3 and work 8 dc. Change to Color 2 and work 8 dc; rep from \* to end of rnd, ending with 8 dc in Color 3, then join with a slip st in top of ch at beg of rnd. (**Note:** To carry color not in use, crochet around that strand as you work over next 8 sts. Change colors by working second yo of last st with new color.) Work 3 more rnds. Next rnd, beg with Color 3 and work white above black, and black above white as shown in photo. Work 1 more rnd.

**SHAPING:** Next rnd, dec 1 st in each color block across row by skipping 1 st in each block (70 sts). Work 1 rnd without dec. Next rnd, beg with Color 2, working black above white, and black above white, and dec 1 st in each block (60 sts). Work 1 rnd without dec. Cont pattern and dec next rnd, then every other rnd once more, working 1 less st in each block each time. Dec every rnd 3 times (10 sts). Fasten off, leaving a long tail. Gather top edge of last rnd with tail and fasten securely. Neatly sew ends of ch edge tog at lower edge of cap.

## SCARF

C O 20 sts. Working back and forth, beg g st and slip the first st of every row. Work until scarf measures 63"(160cm), or desired length. C OFF neatly.

**FINISHING:** Make 2 large pom-poms, each approx 3 1/8"(8cm) diameter. Gather each end of scarf and securely attach a pom-pom to each end.
